

Village of Tivoli Clean-Up Day

One day only! Monday, August 13th, 2018

Would you like to clean up your yard? Would you like to clean out around your garage or behind the shed? Do you have large, old items to throw away but no where to throw them? Yes? Then Tivoli Clean-Up Day will be your opportunity! Here's how it works:

The Village of Tivoli and Welsh Sanitation have organized a one-day Clean-Up event for Monday August 13th, 2018.

Between now and then **contact the Village Clerk (clerk@tivolinyny.org 845-757-2021) and register your name, street address, and pay a \$20 fee** to "The Village of Tivoli." Your address will be added to the list of addresses where the trucks will stop and collect unwanted items on 8/13.

Once you've registered, prepare to **place your items curbside by 7:00am on Monday, August 13th.**

Please read carefully the attached list of acceptable and prohibited items. This list must be strictly adhered to! Prohibited items will be left curbside.

The following items are not included in the \$20 fee but will be picked up by the Village for **an additional \$20 per item: air conditioners, refrigerators, freezers, washers, dryers.** If you have these items, indicate this when you register with the clerk and be sure to pay the additional fee necessary.

E-waste (electronics) are not included in the \$20 fee and will not be picked up curbside BUT residents CAN bring their electronics to a collection site at Village Hall on Monday August 13th only and have them taken as per the E-waste fee schedule (see attached).

Hazardous Waste of any kind cannot be collected. However Dutchess County has organized a Hazardous Waste Day for June 16th and another planned for October 27th. This event is at 626 Dutchess Turnpike in the Town of Poughkeepsie. Pre-registration is required and there is a \$10.00 registration fee. Residents can register online [<https://www.co.dutchess.ny.us/HHW/Register.aspx>] or by calling (845) 463-6020.
